THE MINISTER OF STATE OF THE MINISTRY OF RAILWAYS (SHRI MADHAVRAO SCINDIA): (a) to (c) No surcharge as such is being levied on passengers on Khandwa-Purna metre gauge line. However, passenger fares on the Khandwa-Hingoli section of this line were charged by inflating the actual distance by 33-1/3 per cent from 1961 to 14-7-1985, and by 15 per cent from 15-7-1985 to 31-3-1987. The decision to inflate the distance was taken as it was found that the line would not be remunerative if freight and fares were charged on actual distance. The figures of amount collected on this account are not available.

(d) Capital cost of Khandwa-Hingoli section is Rs. 13.22 Crores.

(e) and (f) The inflation in distance for charge for passenger traffic has been withdrawn with effect from 1-4-1987.
